

**ONCE THEY ARE GONE THEY ARE GONE !**

## **CLEARANCE LINES - current as of 9<sup>th</sup> Nov 2006**

**OVERSTOCKS – ENDS OF LINES – ONE OFF ITEMS – EVERYTHING MUST GO**

Following our recent move to Newark to concentrate on Internet and mail order sales we have had a good stock room clearout and have some of the following lines which must be cleared, we don't have the time to make these available on line so please phone our charming telephone sales staff – me mostly – and pick up a bargain. Don't delay, many of these are limited in quantity or singles so first past the post gets them. They are not listed in any particular category order so please take a few minutes to read through the list.
